

Bob moved to Clarendon in 1968 and almost immediately became involved in town affairs. When Interim Zoning was adopted in 1969 he was appointed as Zoning Administrator. He held this position until he resigned in 1971 at which time he was appointed to the School Board. After that he was elected to this position and served until 1989. He became Moderator and Justice of the Peace in 1980. He was a Justice until 1989 and is still our moderator. Bob has certainly been a devoted and faithful worker for the Town. He has also been active and a faithful member of the Old Brick Church. As you can see from this picture he is happiest when operating Anderson Hill Farm.

SOLID WASTE REPORT

RECYCLE RECYCLE RECYCLE

This is the only way to reduce the volume in the solid waste stream.

Separate cans take out both ends and flatten "no charge"
Separate bottles by color no charge
Separate cardboard no charge
Separate newspapers no charge

Only your efforts can cut the costs by reducing the volume.

Board of Selectmen,
 Ralph Austin
 Al Bourassa
 Jim Doherty

TREE WARDEN REPORT

1988 was a year when many trees were removed along most roads in Town at a cost of \$2,000.00. Can you imagine how good the roadsides would look if the property owners would take the time to cut brush and small trees along the right of way on their properties.

Thank you.

Alphonse Bourassa
 Tree Warden

CEMETERY COMMISSIONERS REPORT

The cemeteries were maintained this year at a cost of \$949.50.
 Again this year we have a few plots left in the West Clarendon Cemetery which are available for \$300.00 for 2 plots and \$500.00 for 4 plots.

Respectfully Submitted,
 Cemetery Commission
 Ralph Austin
 Alphonse Bourassa
 James Doherty
 Board of Selectmen

SELECTMEN'S REPORT

The Board of Selectmen meet at the Town Hall on the 2nd and 4th Monday's of each month. All meetings are open to the public and everyone is welcome to attend and participate in our town government. Your input is important in helping us to make decisions that support the needs of the community. If you have concerns you feel should be addressed but are unable to attend a meeting, please send them in writing to the "Board of Selectmen, P.O. Box 30, N. Clarendon, VT. 05759." All correspondence will be reviewed and acted upon as necessary.

Please exercise your right to vote. Approximately half of the registered voters participate in elections. Your vote is vital in assuring that balloting on issues and expenditures represents the view of the majority of the community. Absentee ballots are available from the Town Clerk's Office for registered voters who are unable to come to the polls.

Highway equipment was updated this year with the addition of a one-ton four-wheel drive Ford dump truck with a plow and sander. An additional mile of road was paved this year per voter approval.

Solid waste management is an important issue in our town. The final payment on our transfer station will be made this year, but costs will go up due to an increase in tipping and box container fees. This means recycling efforts will be even more important in the future.

We now have two tenants in the Airport Industrial Park. Kalow Controls is open and in operation and Knights Cabinets is nearing completion.

We would like to thank everyone who took the time to attend our meetings during the past year and hope to see even more of you in the coming year.

Ralph J. Austin, Chairman
Board of Selectmen
Alphonse J. Bourassa
James P. Doherty

TOWN CLERK REPORT

This year went well with no major changes occurring. I and my assistants attended a seminar and two meetings of the area Town Clerks to discuss our procedures and similar problems. Land Records Volumes 54 thru 64 were taken to Montpelier to be micro-filmed, with the film being stored in a vault in Montpelier. Hours remain the same (see back cover). Please call if you need anything and cannot make it into the office.

DOG LICENSE REPORT

NOTICE: All dogs 6 months of age and older shall annually, on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued.

April 1st falls on a Sunday in 1990 therefore licenses must be done before that day to avoid late charges. Clerk's Office will be open on Saturday, March 31 from 10:00 AM til 1:00 PM for your convenience.

1989 Licenses Issued:	Males	133	Kennel Permits	6

BOARD OF LISTERS
NORTH CLARENDON, VERMONT 05759**

As we head into the 1990's with our new Grand List Book from reappraisal. . . .
We would like to thank all the people who cooperated with us during this long and hard task. We got to know the people and properties in our town.

Our OpenHouse/Informational meeting was a BIG SUCCESS. People wanted to know how the system works. We hope to have more in the future.

We have made our 95% + in which the State will honor for five years without any penalties, no matter what our fair market value falls to. During this time, now that we have a current/accurate system, we will be constantly maintaining it so that we don't fall below 80%. Our Town is growing steadily.

Our OFFICE hours for 1990:

9AM to 12NOON = Tuesday Wednesday & Thursday

We will also have evening hours 7PM to 9PM on Wednesday by advance appointment ONLY.

If any one has a question or questions regarding any assessment or how something is done, call us for the information at 775-1536.

RUTLAND REGIONAL PLANNING COMMISSION**

This past year has, again, been challenging and active for the Regional Commission as communities in the Rutland Region begin to work with Act 200.

The Regional Planning Commission is dedicated to working with communities to ensure that Act 200 is used cooperatively and positively. With this focus the Commission believes it will be possible for communities to develop local plans that provide strong local control while recognizing regional responsibilities.

During the past year the Regional Planning Commission:

- * successfully assisted nine regional communities to obtain special planning funds to inventory natural areas in their communities. This information will be very important as local plans are prepared;
- * sent out to all selectmen and planning commissioners four issues of the State's Act 200 Newsletter;
- * worked on the development of a regional data base that would provide you with more information on which to develop local plans;

Respectfully submitted:
The Rutland Regional Planning Commission
Mark Blucher, Executive Director

**CLARENDON VOLUNTEER FIRE ASSOCIATION, INC.
CLARENDON, VERMONT 05759**

The Association had a very successful 1989, with the raising of \$35,000.00 to help support the department. With weekly bingos, our annual Auction, work at the Rutland Fair, a very helpful Auxiliary, and the support of the Townspeople were the reasons we could reach this goal.

This money was used to buy 2 Motorola pagers, 2 portable radios, completed the new addition and had vinyl siding installed on the Clarendon station.

A new truck/custom pumper has been ordered after a lot of research and man hours by our truck committee. We will take delivery on this pumper in July 1990.

During the past year the Fire Department obtained the property of the Clarendon Grange, through the generosity of the Grange members. With the help of this property we will be able to obtain our future goals. Many thanks to the Grange members.

The 30 members of the Fire department responded to 54 calls in 1989, which required 970 man hours and 181 equipment hours. The department went out of town on Mutual Aid 15 times and had a department stand by at our station twice.

The department participated in 6 parades and musters in 1989. At the Convention in Bennington we were awarded second place for Best Appearing Marching Unit with Apparatus, an award we can be proud of.

I would like to thank the Officers, Firemen and Ladies Auxiliary for the help they have given me in the past year.

Respectfully submitted,
Phil Pinkowski, Jr., Chief

**LADIES AUXILIARY
CLARENDON VOLUNTEER FIRE DEPARTMENT
CLARENDON, VERMONT 05759**

Our meetings are held at 7:30 p.m. on the second Monday of each month at the Clarendon station. We welcome guests and new members, for information call 773-2042.

Officers for 1990 were elected at our December meeting:

Our projects through out 1989 were: we put on dinners for various organizations, refreshments at two day Fire School, sold refreshments at the Firemen's Auction, worked at the fair, sold booster club and raffle tickets, sold refreshments and 50/50 tickets at the Firemen's weekly bingo, sold crafts at fall craft fair, Halloween dance and raffle, and held a Tupperware party.

For 1989 the Auxiliary turned over \$6500.00 to the Firemen

The Auxiliary was represented in the Rutland City Loyalty Day parade. Many of our members attended the 100th Vermont State Firefighters' Association Convention, held in Bennington. a couple of our ladies also marched in the New Jersey State Firemen's Association's Convention in Wildwood, New Jersey.

In December we worked with the Firemen to put on the annual children's Christmas party.

**ANNUAL REPORT — 1989
RUTLAND COUNTY SOLID WASTE DISTRICT**

Rutland County Solid Waste District continues to outpace any other District in completing the long range planning required under Vermont's Act 78, the recently passed solid waste legislation. We have completed waste generation studies and analysis of residual disposal alternatives. During the coming year we will complete an analysis of recycling and composting alternatives that are designed to complement landfills and incineration.

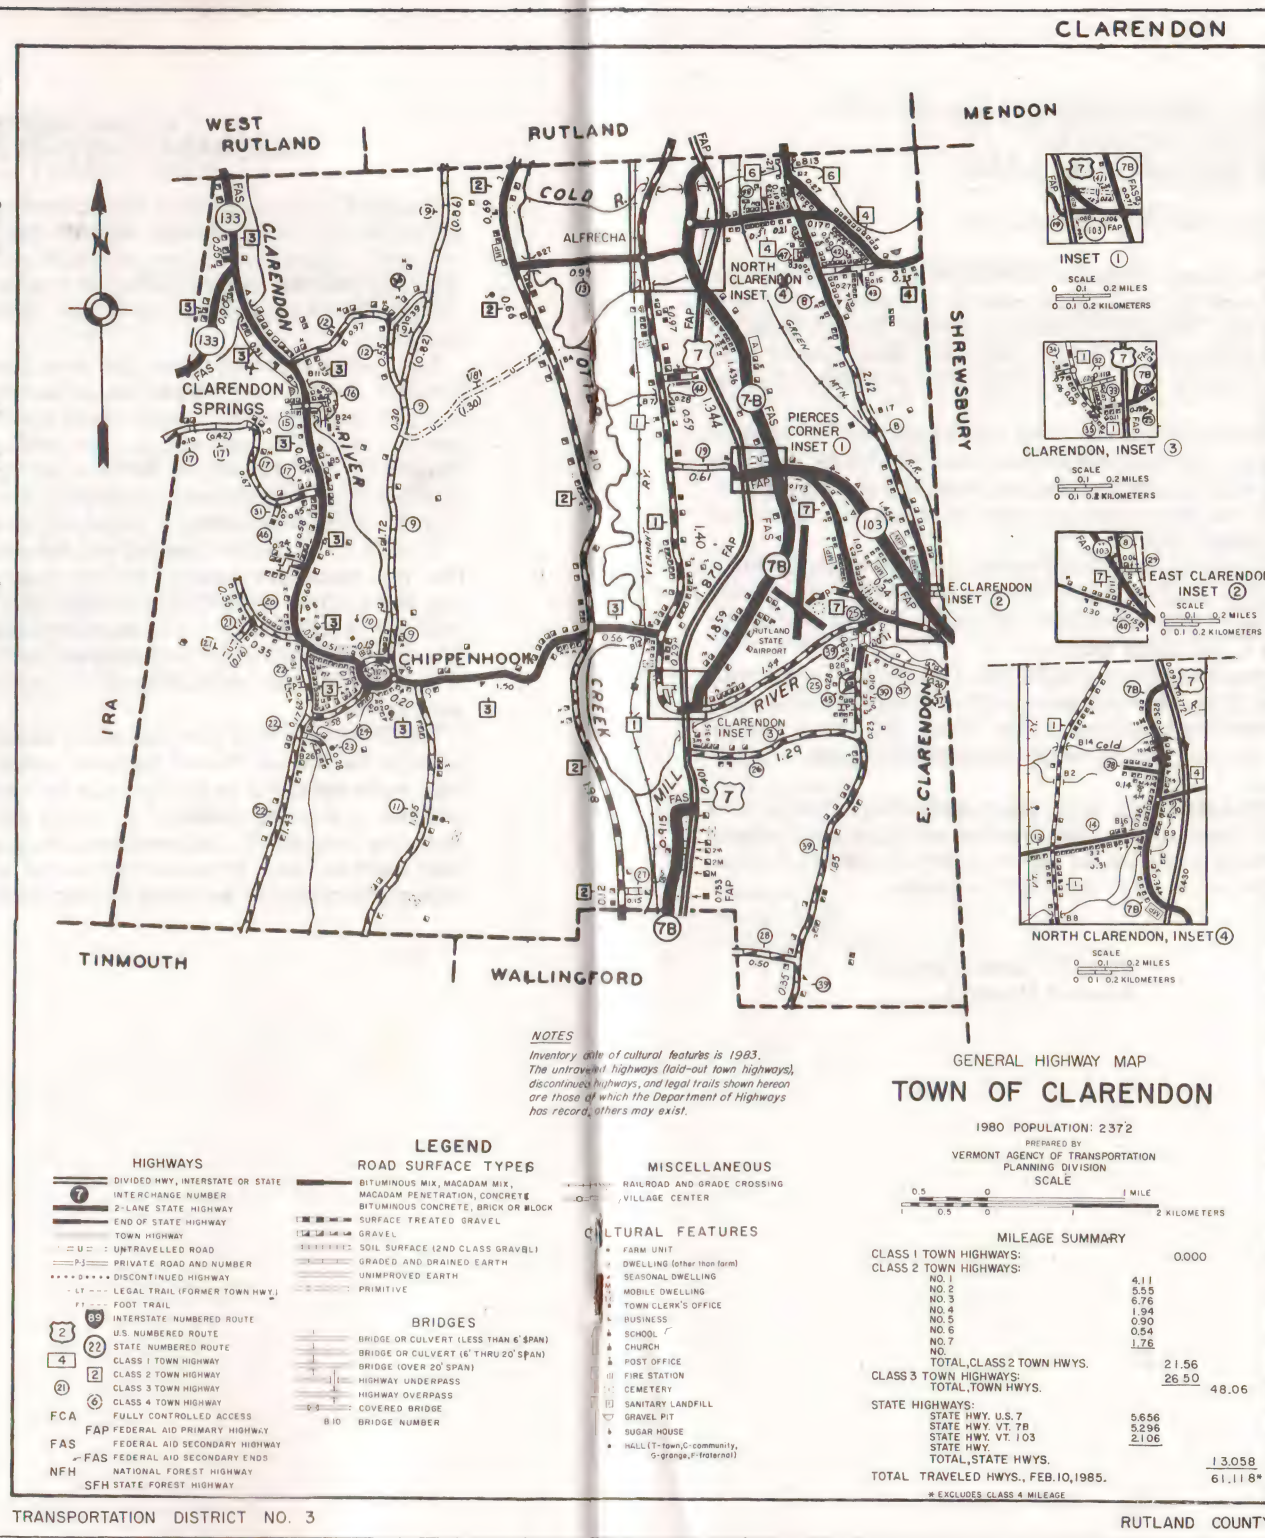

The major component of our solid waste strategy that was implemented this year was recycling. Almost every transfer station participated in the newly created recycling program for transfer stations. Most towns now have the familiar "white box" with the holes in the sides for glass and cans and similar boxes for newsprint and cardboard. In Rutland City and Proctor, we are now running a curbside pickup program where residents are asked to place their recyclables at the curb once a week. Next year we will concentrate on implementation of household hazardous waste and appliance programs.

Of course, the District must still make sure that there is a disposal system in place for that trash which isn't recycled. With the closing of Vicon last year and the loss of Brandon and Thetford disposal sites, we have been forced to look out of state for disposal at much higher expense. We have also opened a regional transfer station in Rutland City to assist small haulers and some smaller towns in transporting their trash to New Hampshire. We will continue to look for short term "fixes" as we work towards a long term answer.

The District has been given the task of managing all garbage within the 25 towns that make up the District. We will endeavor to meet both the letter and spirit of Vermont's solid waste legislation so as to provide for a safer environment. Furthermore, we will continue to meet the challenge of finding short term disposal options in the face of mounting obstacles. We ask everyone to assist us by participating in recycling and other solid waste activities, by becoming aware of the difficulties we face in solving our garbage problems and by accepting the responsibility for finding solutions.

**REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1989)**

To the Honorable Citizens of the Town of Clarendon, VT:

It is a privilege to report to the Citizens of the Town of Clarendon that your community ambulance service is in excellent financial condition and is providing the best service for the least amount of money. Regional Ambulance Service, Inc. has provided emergency and non-emergency ambulance service since July 1983. During our sixth fiscal year, ending June 30, 1989, Regional Ambulance Service, Inc., responded to a total of 3,736 calls.

The cost of providing ambulance service to the Town of Clarendon and the other 10 member towns increases each year. The increased costs are not being passed on to the towns, but are being funded from other sources. We have been able to contain the request for assessment amount for the fifth continuous year. We thank the citizens and respective Boards for their continued support.

The service purchased a new modular ambulance replacing a 1983 modular ambulance. The purchase of a new ambulance to replace one of our four vehicles each year has proven to be very beneficial to the organization. Hopefully this practice can be continued in the future as it is a cost saving measure.

The professional staff is extremely capable and dedicated. The equipment is current, complete, and well maintained. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Doris Weeks, if you have any questions concerning the service.

We are proud of our accomplishments and would like to thank the citizens we serve for their support. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue to strive to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely;
Doris Weeks,
Town of Clarendon
Representative

David R. Melen, President

Dear Residents of the Town of Clarendon:

The Retired Senior Program is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

III. SUPERINTENDENT'S REPORT

A. Enrollment

The table above illustrates the enrollment trends of the past several years. The 1989-90 elementary school enrollment is down slightly and we do not anticipate any big increases for next year. The number of Clarendon students attending Mill River is also down. We expect these numbers to increase next year as a small group of seniors is replaced by a larger group of seventh graders. In the case of both schools, numbers can and do change quickly as families move in and out of town. Frequent changes are a regular occurrence.

B. Personnel

All school personnel, teachers and other staff members, are listed on page one of this report. New members for the 1989-90 school year include: Sheila Gruber, grade 1; Janice McCoy, grade 5; Marie Welch, supplemental reading; Daniel Graves, part-time music; Paula Bliss, physical education; and Stanley Bizon, custodian. We welcome these new staff members and wish them success in their new positions.

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

C. Curriculum

Curriculum and staff development continue under the leadership of Robert Snarski, principal, and Shayne Lylis, RSSU Director of Curriculum and Staff Development. Curriculum guides have been completed in many subject areas and are near completion in others. In conjunction with these guides assessment instruments are being developed to monitor student performance. We commend Mr. Snarski and Ms. Lylis for their leadership and the teachers for the many hours they have devoted to committee work and attendance at workshops.

D. School Facilities

The new addition to the Clarendon Elementary School was completed during the summer of 1989 and opened to students and staff with the beginning of the new school year in September. This new addition provided much needed space in the form of new classrooms, a new music room, an art/science room, a resource room, additional administrative space and storage space. The total project came in well under budget, approximately \$200,000.00. This constitutes a savings of approximately \$140,000.00 to the school district and \$60,000.00 to the state in construction aid. On August 1, 1989 the voters approved using these funds to purchase additional land adjacent to the school. The school board is in the process of completing this purchase. The voters of Clarendon are to be commended for their strong support for their schools.

E. Budget and School Taxes

The 1990-91 proposed school budget is contained within the financial statements of this report. Proposed expenditures are \$1,495,102.00 for the operation of the elementary school, with \$391,789.00 to be raised by taxes. A major portion of the increase in expenditures, \$122,522.00, is attributed to special education costs, which are discussed in greater detail under section "G" of this report. Discounting special education cost increases, the net increase in the expenditure budget is less than 5%. The budget figure for state aid is an estimate, as no definite information is available at this time.

F. Assessment of Student Performance

Student performance is measured in a variety of ways including: teacher made tests; criterion referenced tests; standardized norm referenced tests; and through portfolios of student work. The norm referenced test gives a picture of student progress as compared to a national sample. For the 1988-89 school year students were tested with the Stanford Achievement Series. Clarendon students scored above the national sample for all grades, except grade 1, in the basic battery which is a composite of the reading, language arts and mathematics test scores. A mathematics skill test is administered to all students in grades 3, 5, and 7 on an annual basis. These results are used to improve both the curriculum and teaching methods. Also, samples of student writing are collected and reviewed on an annual basis to help evaluate student progress in this area.

G. Special Education

The Rutland South Supervisory Union administers special education programs for the students of Clarendon, Shrewsbury and Wallingford. These programs are in compliance with P.L. 94-142 and support the goals of providing full educational opportunities for all handicapped youngsters. Under recently enacted state legislation these programs are funded jointly by local and state funds which are sent to the supervisory union and then subgranted to the local district. These new procedures have necessitated changes in local budget procedures. For budget year 1988-89 gross special education expenditures and revenue appeared in the supervisory union budget; local budgets contained only net expenditures for the district. Beginning with budget year 1989-90 gross expenditures will appear in the local budget along with revenue subgranted from the state through RSSU.

The table below shows the comparison between budget years.

	Actual 1988-89	Budget 1989-90	Budget 1990-91
Special Ed.	\$55,352	\$59,324	\$139,484
Speech	17,898	0	42,362
Total Special Ed.	<u>\$73,250</u>	<u>\$59,324</u>	<u>\$181,846</u>

H. Chapter I Program

The Rutland South Supervisory Union administers the Federally funded, Chapter I Program which serves eligible students in Clarendon through two programs. The first program provides remedial reading instruction to school-aged youngsters. The second is a small, home based, preschool program serving eligible four-year olds. Shirley Bingham coordinates and supervises these programs. Shirley Loomis and Theresa Jakubowski provide remedial reading instruction and Jan Tofferi works with parents and students in the preschool. Parents or others wishing to comment on these programs are encouraged to contact Shirley or Superintendent of Schools, Henry Burnham. Telephone (802)-775-3264.

I. Nondiscrimination Policy

The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone (802)-775-3264.

J. Salary Schedules

The Clarendon teacher salary schedule for the 1989-90 school year has a base salary of \$17,600 for a beginning teacher with a Bachelors Degree. Increments of \$600 are paid for advanced training and additional years of teaching experience. A teacher with 30 credit hours beyond a Masters Degree and with 19 years of experience can earn the maximum salary of \$32,000. The average salary for Clarendon teachers is \$25,042 for 1989-90. This compares with an average teacher salary for the state of Vermont of \$28,849.
